## **WORK EXPERIENCE:**

**ORGANIZATION** : Prasanna Technologies Pvt Ltd,Mangalore  
(From Jan 2022-Present)

**Designation** : Associate Test Engineer

## **PROJECTS:**

**Project** : ERP Application (Enterprise Finance)

**Role** : Associate Test Engineer

**Duration** : 1.5 Years

**Client** : MESCOM

This project is being developed for Government Sector of Power Supplying Company where the entire Enterprise Finance shall be handled by the application. The Application helps financial officers create an information-driven enterprise that synchronizes data centrally from all systems so financial information is consistently collected, calculated, analyzed, and stored, ensuring data integrity while reducing costs. This approach improves visibility into business, financial, and compliance performance across the enterprise, strengthens your control to enforce compliance with company and regulatory policy, and increases operational efficiency.
