EDUCATION

Master's degree

JSS AHER College (Deemed to be university)

06/2021 - 07/2023

Mysore

Courses

- MSc in Microbiology

Bachelor's degree

Yuvaraja's college Mysore (AUTONOMOUS)

06/2018 - 06/2021

Mysore

Courses

- BSc (Microbiology, Botany, Chemistry)

PERSONAL PROJECTS

Dissertation project work

Mysore Medical College & Research Institute

03/2023 - 05/2023

Mysore

Antimicrobial susceptibility pattern of oral antibiotics among pathogens isolated from Urinary Tract Infection (UTI) patients.

Tasks

- To isolate and identify the causative pathogens of community acquired UTI.
- The Aim of the present study was to assess the changing susceptibility pattern of urinary pathogens to oral antibiotics in patients with community acquired UTI.
- However in this era of increasing resistance to higher antibiotics, our study showed good in vitro activity against Oral antibiotics.

Guidance of : Dr. Swetha M - Assistant professor

Summer project work

Jss Academy Of Higher Education & Research

11/2022 - 12/2022

Mysore

Serodiagnosis of dengue antibodies in outbreak of suspected Dengue fever by ELISA technique.

Tasks

- Detection of unique IgM antibody with the useful resource of ELISA types is the base for this diagnosis. Like that IgM antibodies advance after four or five days of infection.
- This study was done to find out the seroprevalence of dengue IgM antibody among the patients suspected to have dengue virus infection.
- Studying the dengue outbreak in India.

Guidance of : Dr. Sindhu R - Assistant professor

SKILLS

Laboratory Aseptic technique

Experience in using ELISA, PCR, Electrophoresis, AST, MIC Techniques.

Knowledge of plant tissue culture

Research Analysis.

Data Analysis by MS EXCEL

Microsoft office – Word, PowerPoint & Excel

INTENSHP/CERTIFICATE

Good laboratory practice & Handling laboratory equipment's. (05/2023 - 06/2023)

- KR Hospital Mysore

Effective Communication skills - Online Course

- Great Learning Academy

Excel Microsoft for beginners - Online Course

- Great Learning Academy

STRENGTH

Confidence and determined

Ability to work with team as well as individual

Fast learner

ACHIEVEMENTS

Division level kabaddi player.

Participated in dance events.

Nominated for Cultural member in college days.
