PROFILE

"A self-motivated and detail-oriented engineering graduate seeking a entry-level position in a dynamic and innovative company. With strong communication and problem-solving skills, I am eager to learn new technologies and contribute to a team that is focused on delivering high-quality solutions to complex technical challenges."

TECHNICAL SKILLS

SQL Good understanding of RDBMS conc Good in Retrieving the Data from the Database. Strong knowledge of writing SQL queries. Strong knowledge of writing Sub queries. Good in DDL, DML, DTL, DCL, and DQL.	JAVA Good in Method Overloading and Method Overriding. Proficient in Oops Concepts. Strong knowledge of collections and Java libraries. Good in Collection topics such as List, Queue, and Set. Good in Map concepts and Exception Handling. Basic knowledge of multithreading.
HTML Good Knowledge of HTML attributes and tags.	CSS Good understanding of CSS properties and values.
Hibernate Strong in Hibernate Components. Good knowledge of writing a Hibernate Query Language. Good at Relational Mapping.	JDBC Excellent knowledge of CRUD operation.

SKILL SET

- Proficient in Microsoft Office: Word, Excel and Power point.
- Proficient in Eclipse.
- Development tools known: Visual Studio Code.

SKILLS

- Quick Learner
- Communication Skill
- Ability to learn new technologies.
- Good Team Player
- Interpersonal Skill

CERTIFICATES

- Java Full stack Development [🔗](#)

EDUCATION

Bachelor Of Engineering Government Engineering College Ramanagara • Avg cgpa-7.0	2019 – 2022 Ramanagara, India
Diploma in Civil Engineering Government Polytechnic Channapatna • 73%	2016 – 2019 Channapatna, India
10th standard Shri Morarji Desai Residential School Ramanagara 87%	2016 Ramanagara, India

PROFESSIONAL EXPERIENCE

Intern

MSV International

2021/10 - 2021/11
Bengaluru, India

As an intern, I gained valuable experience in a professional work setting by performing a variety of tasks such as assisting with project management, conducting research, collaborating with team members, and implementing solutions to various problems. I also demonstrated strong communication, organization, and time-management skills while working closely with supervisors.

COURSES

Java Full Stack Development

Jspiders Basavanagudi, Bengaluru, Karnataka.

2022/08 - 2023/02
Bengaluru, India

- Completed a 6-month Java Full Stack course in a reputed institution.
- Gained knowledge and skills in various technologies including:
 - Core java.
 - SQL (Structured Query Language).
 - HTML (Hypertext Markup Language).
 - CSS (Cascading Style Sheets).
 - JDBC (Java Database Connectivity).
 - Hibernate (an Object-Relational Mapping framework).

PROJECTS

Student Database Management System using Java

2023/01 - 2023/02

- Designed and implemented a student database management system using Java and object-oriented programming principles.
- Utilized various data structures and collections in Java, such as ArrayLists and HashMaps, to efficiently manage and organize student information.
- Created a user-friendly interface that allowed for easy input, editing, and retrieval of student data.
- Employed exception handling to ensure that the program ran smoothly and could handle unexpected errors.
- Developed custom classes and methods to encapsulate various aspects of the system, promoting code reusability and maintainability.
- Used inheritance and polymorphism to create a hierarchy of classes that represented different types of students and their unique attributes.

LANGUAGES

- English
- Kannada
- Hindi

INTERESTS

- Playing Cricket
- Cycling
- Swimming
- Video editing
- Drawing

EXTRA CURRICULAR ACTIVITY

Volunteering

Channapatana, India

- Participant-Mathrubhoomi seva foundation club, which organizes the events like cloth donation, blood donation, and cleanliness drives in Channapatna.

Volunteering

Bengaluru, India

Participant-Youth for Parivarthan team, which organizes the events like cleanliness and blood donation drives around Bengaluru.

DECLARATION

"I declare that the information provided in this resume is true and correct to the best of my knowledge. I understand that any false or misleading information in this resume will be grounds for disqualification from the job."
