EXPERIENCE

BUSINESS FAMILIARIZATION REPORT INTERNSHIP AT KMF

(KARNATAKA MILK FEDERATION, MYMUL)

Intern | March 2024 - April 2024 | Mysore, Karnataka

- Gained valuable insights into the dairy/cooperative industry.
- Conducted an in-depth study of Mymul's operations, product offerings and strategic framework.
- Explored the company's background, mission, and quality policies, while observing the workflow from production to distribution.
- Utilizing McKinsey's 7S Framework and Porter's Five Forces Model. Analyzed the organization's structure and competitive landscape.
- Performed a comprehensive SWOT analysis and reviewed financial statements to assess Mymul's fiscal health and identify growth opportunities.

PROJECT

IMPACT OF MICROFINANCE ON THE DEVELOPMENT OF ENTREPRENEURSHIP IN KARNATAKA

Problem: Challenges in this project include addressing gender-specific barriers for women entrepreneurs, limited rural access to microfinance, and optimizing interest rates. Additionally, it involves analyzing loan repayment issues, effective loan utilization, and the influence of RBI policies on microfinance services.

- Analyzed problems through primary and secondary data.
- Visualized data analysis through googles sheets and made insights out of it.
- Made conclusion and provided solutions for this problem.

ACHIEVEMENTS

Got Talent Award for highest Marks in 2nd PUC
